Dave Williams is a Long Beach trumpeter, composer, and the architect behind the jazz-funk ensemble MBT (MajicBulletTheory). Known for his bold tone and Miles Davis–like direction, he’s been featured by the Long Beach Post, Palacio Magazine, and recognized by the Downtown Long Beach Alliance. Williams blends jazz sophistication with deep funk and hip hop energy. He leads MBT through electrifying sets at venues like The Mint, Harvelle’s, Willmore Wine Bar, The Queen Mary, and Kaos Network, always closing with his signature call: “We Love This Sport.” Listen on Spotify.
